

Don Bureaux

Message from the NSCC President

Graduates,

Today, we celebrate you and all you have accomplished during your time as an NSCC student. We celebrate your academic achievements, hard work and perseverance, the skills you have developed and the connections you have made.

It is a pleasure and an honour to mark this important milestone with you.

As NSCC graduates, and now officially NSCC alumni, I encourage you to embrace the next chapter in your lives with the same determination, passion and willingness to learn that you demonstrated as students. I wish you every success in your future endeavours.

On behalf of the College, thank you for allowing us the privilege of being part of your incredible journey. It is truly inspiring to see what you can accomplish. We are so proud of you and we are cheering you on today, and beyond.

Congratulations, class of 2024!

Convocation 2024

Valedictorian

NSCC is proud to introduce the outstanding student(s), chosen by their campuses, to represent the achievements and experiences of the Class of 2024.

Muyideen Soluade

School of Business and Creative Industries

Business Administration - Accounting

Muyideen embarked on a dynamic career journey before becoming an NSCC student. Looking to build on his experience in business management, marketing and finance, he sought to enhance his skills in a student-centric environment. Attracted by NSCC's hands-on approach and recognizing the significance of sustainable accounting in modern business, he aimed to fill a gap in his expertise by pursuing Business Administration with a focus on accounting.

During his time at NSCC, Muyideen found inspiration and guidance from his faculty. Their support instilled in him a deeper sense of mindfulness and gratitude, enriching not only his studies but also his overall outlook on life. As a student at Ivany Campus, Muyideen reflects on the shared student experiences of late-night study sessions and collective efforts to better the community. He is proud of his involvement in the Student Association and organizing events that celebrate diversity and foster inclusivity.

Equipped with newfound knowledge and guided by his experiences, Muyideen plans to contribute meaningfully to his community following graduation. His goal is to merge his diverse professional background with his accounting skills to make a positive impact on both the business world and the community.

As he and his fellow graduates embark on their next chapter, Muyideen offers these words of encouragement:

"True success is measured by the impact we leave on the world. While we have already achieved greatness in reaching this milestone, let us continue to strive for greatness, inspire others, and leave a legacy of kindness and achievement. Congratulations to all my fellow graduates!"

Convocation 2024

Valedictorian

NSCC is proud to introduce the outstanding student(s), chosen by their campuses, to represent the achievements and experiences of the Class of 2024.

Benjamin Wilke

School of Trades and Transportation

Aircraft Maintenance Technology - Mechanical

Benjamin decided to study at NSCC after completing his bachelor's degree in mechanical engineering at Dalhousie University. A lifelong resident of Halifax, his previous experience giving tours of HMCS Sackville during the summer months nurtured his passion for mechanics and aviation. Benjamin found his path to work toward a career in this field in the Aircraft Maintenance Technology – Mechanical program.

Throughout his time at NSCC, Benjamin found inspiration in his diverse group of peers, whose welcoming nature fostered a sense of belonging and connection he hadn't experienced before. He is grateful to his instructors for their guidance and inspiring stories, which motivate him to apply himself and pursue his interests passionately.

Following graduation, Benjamin plans to secure an apprenticeship as an Aircraft Maintenance Engineer, earn his license and gain experience working on various types of aircraft.

In offering advice to his fellow graduates, Benjamin acknowledges the challenges ahead but highlights their collective ability to overcome obstacles through experiential learning and cooperation:

"Certainly, challenges lie ahead of us in our careers, but I can think of no better group of people more ready to face those challenges."

Convocation 2024

Valedictorian

NSCC is proud to introduce the outstanding student(s), chosen by their campuses, to represent the achievements and experiences of the Class of 2024.

Anuja Mhatre

School of Business and Creative Industries

Graphic and Print Production

Anuja's journey into the Graphic and Print Production program at NSCC was a natural progression from her background in industrial design and experience in packaging design. Prior to NSCC, she honed her creative skills as a product designer in the food and beverage industry, where she oversaw packaging production. Drawn to hands-on training and mandatory work experience, Anuja saw an opportunity to expand her skill set in a supportive environment at NSCC.

As an NSCC student, Anuja found inspiration from her faculty, the NSCC International team and her peers. As an International Student Ambassador, Anuja took on new responsibilities progressing into a leadership role and built relationships that will carry forward beyond her time at NSCC.

Following graduation, Anuja aims to build her expertise in pre-press and graphic design. She also looks forward to pursuing independent projects in design, marketing and print.

Reflecting on her time at NSCC, Anuja emphasizes the importance of resilience and overcoming challenges as recurring themes in her learning journey. She encourages her fellow graduates to remember

their inherent ability to persevere as they embark on their professional journeys:

"Your life is a book, and you are the protagonist. School is just another chapter in it. Some chapters will end with you being happy, sometimes you will lose. Some would even be a cliffhanger. But keep in mind, when a chapter ends, another one begins."

Convocation 2024

Valedictorian

NSCC is proud to introduce the outstanding student(s), chosen by their campuses, to represent the achievements and experiences of the Class of 2024.

Caitlin Bowman

School of Health and Human Services

Pharmacy Technician

Having been taught from home and completing high school entirely online, Caitlin's time as an NSCC student presented her with a completely new learning experience. Despite the challenge of transitioning to an in-person post-secondary environment, the allure of a vibrant student atmosphere and knowing academic supports were in place to guide her along the way helped Caitlin embrace her opportunity to study in the Pharmacy Technician program. Her passion for healthcare and the opportunity to contribute to the improvement of the province's healthcare system kept her motivated throughout her studies.

Caitlin found support and inspiration from her faculty who fostered an environment for growth, while her classmates became invaluable allies in overcoming challenges. Additionally, her family and friends offered unwavering support, reminding her of her strength and capability. Reflecting on her NSCC experience, Caitlin emphasizes the importance of student supports and the kindness of campus staff, highlighting moments of encouragement that made a difference in her journey.

Following graduation, Caitlin plans to continue her work at a community pharmacy and pursue national licensing exams. Her goal is to use her new skills to help those struggling with mental health and addictions.

Caitlin acknowledges the shared achievements of the Class of 2024 and encourages them to carry the determination that brought them to graduation into their future endeavors:

"Remember the incredible drive and dedication that brought us to this day. Carry that forward and you'll continue to accomplish amazing things."

Annie Elizabeth Johnson

School of Technology and Environment

Strait Area Campus

Annie E. Johnson is a leader who is committed to protecting the environment and natural resources in her home community of Eskasoni and all of Unama'ki (Cape Breton). In both her work and personal life, Annie integrates Netukulimk (Mi'kmaq traditional ways of using natural resources) with Etuaptmumk (Two-Eyed Seeing – viewing the world through the strengths of Indigenous knowledge together with conventional methods).

Passionate about culture, Mi'kmaq language and the natural world, Annie is the Director of Administration of the Unama'ki Institute of Natural Resources which leads in aquatic research and stewardship, Mi'kmaq knowledge and conservation.

Dedicated to many initiatives in her community, she was a driving force behind locally held Collaborative Environmental Planning Initiative (CEPI) conferences, ensuring meaningful, cultural experiences for attendees from across Turtle Island.

Annie exemplifies many of NSCC's values, especially accessibility, diversity, inclusion, public accountability and sustainability. As a mentor and an employer, her ongoing support for the College and NSCC graduates has spanned almost two decades.

Annie is an avid volunteer and currently serves as a member of the board for Aboriginal Financial Officers Association of Atlantic Canada.

Michael Johnston

School of Technology and Environment

Institute of Technology Campus

Michael Johnston, originally from Truro, Nova Scotia, is a technology industry founder who believes in the power of investing in people and innovation together to achieve greatness.

Following an IT career in Boston, Mike returned to his roots in Atlantic Canada to establish REDspace, a technology firm that builds custom platforms, apps and services that entertain, educate and empower millions around the world. Headquartered in Halifax, REDspace has grown into a dynamic team of over 250 talented professionals renowned for their creation of award-winning web, mobile and video solutions. Notable partners include industry giants such as Paramount, Warner Bros. Discovery, Sony Pictures, IBM and the Royal Canadian Air Force.

A magna cum laude graduate of Harvard University, Mike is a recipient of numerous awards and recognitions, including the Queen Elizabeth II Platinum Jubilee Medal for Service to Business/Commerce in 2023 and two Emmy awards for apps developed by REDspace. Passionate about helping the next generation of young Canadians unlock their potential, he serves as national Board Chair and interview committee chair for the prestigious Loran Scholars Foundation. Mike is also founding President of the Harvard Club of Atlantic Canada and serves as regional interview chair.

Mike's dedication to education extends to shaping the future of IT and actively supporting the next generation of technology innovators. He is a member of the NSCC IT Programming Advisory Committee, shaping

curriculum and participating in key industry events including the annual NSCC IT Job Fair and TechConnection. Recognizing the value that NSCC graduates bring to the industry in Nova Scotia and abroad, over one third of REDspace employees are NSCC alumni - a testament to Mike's commitment to hiring and nurturing local talent.

Outside of his professional pursuits, Mike finds joy in music as an avid woodwind musician, participating in various performing ensembles. A devoted father to his three children, he treasures family time and adventures around the globe. Alongside his wife Angela, Mike co-manages The Johnston Family Foundation, a philanthropic endeavour dedicated to unlocking the potential in others through strategic investments in programs that foster lasting positive change, in education, literacy, the performing arts and healthcare research.

Krista Lee Langille

School of Trades and Transportation

Akerley Campus

Krista Lee Langille is an NSCC Women Unlimited graduate who has found success as a Red Seal welder at Halifax Shipyard with Irving Shipbuilding and is an advocate for women pursuing careers in skilled trades.

Krista has made significant contributions to her community and NSCC. From graduating with honours to her continued involvement empowering young women, she is a true ambassador of the College's vision helping to transform the province one learner at a time.

Krista's journey to NSCC was not an easy one, having overcome many hardships in her life. She dropped out of school in grade 10 and moved to Toronto at age 16. She eventually returned to Nova Scotia as a mother of two, earned her GED and found work at a call centre. While in search of something more, a worker at the employment insurance office told her about NSCC's Women Unlimited program to explore careers in trades and technology, which inspired her to embark on a new path as a student.

In 2012, Krista began her journey with Women Unlimited which led to her love for welding. In the program, Krista made new and lasting friendships, discovered skills she had within herself and learned about trades in shop visits at NSCC. She chose to pursue welding and worked hard at school and at home.

Through perseverance and resilience, Krista graduated with a Welding diploma from Akerley Campus in 2014. In 2016, she achieved her Red Seal certification - the first Women Unlimited participant to receive a Red Seal in welding.

Since then, she has worked steadily as a welder and spent a year teaching trades at the high school level and running an after-school trades program for teen girls.

Krista loves to inspire and be inspired. She was hired by Irving Shipbuilding in January 2021 where she continues to mentor welding apprentices and "pass along the positivity" every day. Aside from empowering young women interested in the trades, she says building ships for the Royal Canadian Navy is the most rewarding job she has ever had.

Dedicated to giving back, she often returns to Women Unlimited as a guest speaker and mentor, offering words of wisdom and a look at the welding trade as a skilled and passionate alum.

Sandra Anne McKenzie

School of Access, Education and Language

Ivany Campus

Sandra Anne McKenzie is a champion for Nova Scotia ingenuity and is known for leading transformational strategies in workforce development, adult education, economic development, policy development and strategic planning.

Sandra's career is inextricably linked to the success of NSCC. Twenty-six years ago, she played a pivotal role as a member of the provincial government team supporting the creation of the College. Since the beginning, she's stood behind NSCC as a catalyst for community and individual prosperity.

As one of the founders of the Nova Scotia School for Adult Learning (NSSAL) Sandra advocated for accessible, high quality post-secondary education. Other legacy initiatives include the foundations for province-wide career and employment counselling through Nova Scotia Works, the Workplace Education Program, the Read to Me Program with Dr. Richard Goldbloom, the Halifax Youth Foundation and the IWK, and the Family Literacy Initiative Endowment Fund.

Her extensive government experience led her to serve Nova Scotia as Deputy Minister of Education and Early Childhood Development, Deputy Minister of Labour and Advanced Education, and Acting Deputy Minister of Economic and Rural Development and Tourism. Sandra also chaired the Ships Start Here partnership which brought government, businesses and leaders together to support the bid for the federal shipbuilding contract.

Following her time in the government, she has launched a successful consulting business, McKenzie Consulting, and is co-founder of the Forge Institute, a thinker space dedicated to thought leadership for social innovation. She was also the inaugural chair of the Forestry Innovation Transition Trust. An active member of her community, Sandra chairs the Alderney Landing Board, Get Everyone Online (GEO) and is vice-chair of the Halifax Youth Foundation. She also is a board member of the Provincial Government Employees Credit Union.

Outside of professional life, Sandra enjoys spending time with family, friends and many pets.

Sandra's dedication and unwavering commitment to community and individual prosperity is truly reflective of the College's values regarding education and the importance of fostering community.

Virginia 'Ginny' Smith

School of Health and Human Services

Burridge Campus

A community leader for over 50 years, Virginia 'Ginny' Smith has impacted lives and contributed to the quality of life and education of people across the province and nationwide.

Originally from Denver, Colorado, Ginny, alongside her husband Andy, made Nova Scotia their home in the 1970s. She worked at Southend Renewal and became a volunteer coach for the YMCA Yarmouth Whitecaps Swim Team and continued in this role for over 45 years.

Ginny holds a master's degree in education and a bachelor of arts in education with a concentration in child psychology. She also holds a bachelor of arts in psychology. For over 27 years, she worked with the Yarmouth District School Board, holding various roles such as administrator, teacher and special education specialist.

Dedicated to her community, Ginny's involvement in numerous initiatives created lasting impacts that go beyond the classroom. She played a pivotal role in co-founding the Yarmouth Literacy Council and was instrumental in starting the Yarmouth Adult Literacy program, empowering individuals to complete their GED. She is also the founder of the Southwest Paddlers Association and the Yarmouth Association for Community Residential Options (YACRO).

Ginny's advocacy also extends to environmental causes. She has contributed her efforts to the Yarmouth Environmental Think Tank (YETT) and the Tusket River Environmental Protection Association. She

is an active advocate for environmental conservation through initiatives like the Coastal Protection Act.

Ginny's many accolades are a true reflection of contributions to her community. She was inducted into the Nova Scotia Sports Hall of Fame in 2001, has coached Nova Scotia Canada Games teams and earned recognitions including the Swim Nova Scotia Sovereign's Medal and the Swimming Canada Volunteer Contribution Award. She was also the first female in Atlantic Canada to achieve a level 4 National Coaching Certification.

From shaping young minds to nurturing swimming talents, Ginny has touched the lives of countless individuals, fostering a culture of excellence and embodying the spirit of lifelong learning.
