Leave a Legacy of Learning

Gift Planning with NSCC Foundation

Gift Planning with the NSCC Foundation

Education can represent the single greatest opportunity for individuals seeking to transform their lives. Each year, students in need at the Nova Scotia Community College are able to pursue their dreams thanks to the incredible generosity of donors.

A growing number of these donors are choosing to extend their personal giving beyond their own lifetime through a legacy gift to NSCC.

At the NSCC Foundation we work with donors to help make a difference in the lives of students through philanthropy. These are a few of the ways donors can help remove barriers for students:

- A bequest in your Will
- Including NSCC as the beneficiary of a life insurance policy
- Transfer of publicly traded securities

Some donors may choose to establish a named endowment fund to finance student awards in perpetuity while others can choose to invest in NSCC's instructional equipment, programs and services for students.

If you, or someone you advise, are looking to leave a legacy of learning for others, the NSCC Foundation is here to help.

“We both value education and have seen firsthand the benefits of an NSCC education. In consultation with our financial advisors we were made aware of the benefits of planned giving- it took some thought and preparation but it gives us the opportunity to give a gift to a cause we truly believe in.”

Linda and Jim Ross

Centre of Geographic Sciences, NSCC
(Formerly Nova Scotia Land Survey Institute)
Class of 1974

We're here to help
